6 November 1995

Dear Richard

On behalf of the Association, may I thank you for so conscientiously organising the audio visuals during the recent British Medical Association's Overseas Congress in Cape Town. During the four days I heard no adverse comments on the arrangements and that showed that our speakers and members felt themselves to be in capable hands.

Again our thanks and best wishes for the future.

Yours sincerely

Jill Draper
**Annual Meetings Officer
and Assistant Secretary**
