Dear Peter,

**RE: BUSINESS MEETS CITY OF CAPE TOWN - SYMPOSIUM – 24 APRIL 2007**

On behalf of the Cape Town Regional Chamber of Commerce and Industry, my heartfelt thank you for providing the sound system for the **Business Meets City of Cape Town - Symposium** on 24 April 2007 at the Southern Sun Cape Sun, Strand Street, Cape Town.

We received enthusiastic reports on the event. As a pilot event of its kind, we had record attendance and showed the true meaning of representation in transformation. It is gestures like yours that add so much interest to our Chamber. This year the Mayor and her Mayco gave a detail overview of forth coming projects which was well received by the delegates. My impression – and I know it is widely shared, is that the function was an unqualified success in that it served to get the attention of all present.

Your contribution to the morning was equally a highlight, the delegates enjoyed the sound system which was at its best. David did an excellent job not only with the sound but was a great help with any technical queries. Your support of the Cape Regional Chamber is much appreciated and we will be looking forward to continuing our mutual relationship of support.

Once again our sincere thanks to you.

With warm regards,

Yours sincerely,
