Dear Peter and Marc,

A huge THANKS to you and your team for the outstanding professionalism and commitment from ALL in your team at our Transnet event on Friday, 19 Nov 2010.

They stayed until the early hours of Friday morning to ensure proper installation and set up & were back at the venue by 7am for the arranged dry run.

I am most impressed and grateful for all your efforts. What a great team you have! I'll recommend your organization to all in my portfolio.

With thanks & regards,
