To all at Sight & Sound,

I cannot single out one employee, so please pass my sincerest thanks to the whole bunch !

The service your company has provided has been superb in the past, very timeous and always friendly.

Thank you for the instant delivery to the Foschini building in Bellville last Friday, it was much appreciated !

At MTN we are striving towards service excellence, so I hope your level of service rubs off on our staff every time that you deliver equipment to our premises.

Many Thanks

Mandy Fisher.
