3<sup>rd</sup> March 2008

Dear Roy

Just wanted to say thanks to you and the crew for a great job at the Investment Week Global Forum.

Robert was spot on, the kit was great and having Damien close at hand in the office was an absolute asset.

Hope you have a fabulous year and we will see you for more of the same in 2009.

Will pop down the bank and sort out the final payment this week.

Regards  
Guy Cresswell  
Managing Director
