Dear Roy

RE: SASCRS CONGRESS 2001

Thank you for yet another very professional performance by your team at the Congress. Many of the foreign delegates have complimented the audio visual crew and the competence displayed by them at the several venues.

I think that Lenke also played a pivotal role in the overall success.

I have not received your account yet, but I believe it is waiting for me at the Pinelands rooms. Could you please e-mail the account to me today so that I can forward same to Pretoria as soon as possible to facilitate settlement.

Yours sincerely

RICHARD CORKIN
