## Conference & Banqueting

This room offers an enchanting ambiance with uninterrupted views across Lion's head, the Twelve Apostles mountain range and the Atlantic ocean. Accommodating up to 48 people, it is suited to an elegant private function or business meeting. Buffet and cocktail arrangements are an option.

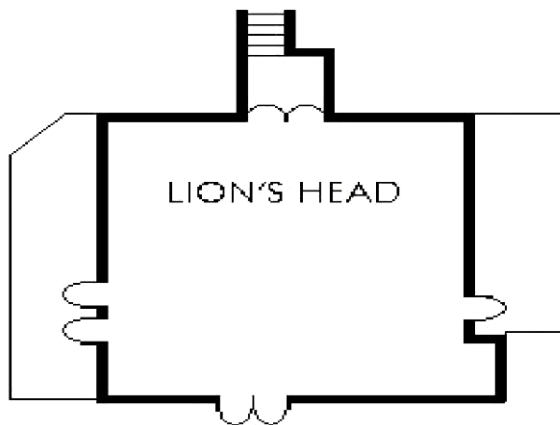

The screen configuration includes either a 2.4m x 1.8m(8' x 6') permanently installed retractable screen centered to the venue set up or alternatively a 3.0m x 2.3m(10' x 7') fast-fold screen can be placed on the outer wall to accommodate any configuration. A corporate lectern can be used as a static docking station for a laptop which can accommodate a goose neck microphone that is standard with all PA systems, power outlet, VGA com port projector connection and can be operated by means of remote clicker mouse or by a technician.

The Lion's Head has a semi-permanent digitized AV installation with all wiring for projection and public address systems embedded in the venue. With a ceiling mounted projector and fully comprehensive interface, it allows for maximum usage of space and an aesthetic finish. Alternatively this venue ideally lends itself to the use of a 42" LCD monitor for minimal reflection and a high definition presentation. A comfort monitor of either 19 or 42 inches can also be installed. The full AV set-up can be run on a dedicated un-interrupted power supply.

### Technical Specs
